

Make an impression worldwide

Would you like to develop your presentation skills?
Why not enter an IET presentation competition for
students and young professionals in your local area?
You can win a **£150 cash prize** and travel
around the world!

If you are a student, apprentice, or a young professional aged between
18-26 years, this is your chance to compete for various cash prizes in
local, national and international events, which includes the fantastic
prize of £1000 at the London international final!

To win all you have to do is give a 10-minute presentation on an
engineering or technology related subject and be prepared to answer
a further 5 minutes of questions.

To make it even easier, it is perfectly acceptable to use your final year
project presentation, a presentation from your graduate scheme or any
other presentation which you already have. ...Yes, it really is that simple!

Venue: Plymouth University - Babbage Building

Room: BGB 005/002

Date: 06/03/13

Time: 18:30
